

Rest in Peace

*Comfort me with Your love O God
Support me in Your strong embrace
Shelter me from the storm O Lord
Wrap me in Your tender care
By day I pour out my heartbreak to You
By night I give you my anxious thoughts
In You I take refuge
In You I will not be afraid
For You hold me safely in the darkness.*

*You know the depth of my wound
The silence of my heartbeat.
You hear the tears of my soul
The sighs of my footsteps.
I cry out to you
for my eyes are closed with sorrow.*

*Calm my struggling heart O God
Still my troubled mind
Hold on to me O God
I am numb and afraid
Hold on to me O God
I am broken in pieces.
As I struggle in the darkness
Let me see again the rising sun
And in the evening sit beside me
Until the shadows pass*

*I pour out my grief to you
You are the heart that goes on
And in your love I see hope
It is the trust that holds me together.*

*You have taken my loved one on eagle wings
Into freedom, into eternal light
To the place that no eye has seen.
Be still my soul*

*Eternal rest give to your people O God
And let the fullness of light shine on them
In the home of human longing.*
