Select Year	-
Select Letter	-
Select Province	-

As you can see from the above picture, you have many options of searching for an obituary. If you wish to know which Sisters have passed in April, click April in the Select Month box. You can do this for each search option (Month, Year, Letter, Province) but ensure that only the boxes you wish to use have chosen options in it and that the others are blank. For example, if you wish to know which Sisters in April 2020 from South Central Province have passed you would select April in the **Select Month** box, 2020 in the **Select Year** box and South Central in the **Select Province** box and click **Search**.
