

### **Good Shepherd Parish**

Each year, a grade was added and by 1987 there was a fully operational school from Kindergarten through grade 8, with before and after school care.

Mary Glynn joined the community 1985 - 1992. Sr. Bernardine retired to Ireland in 1987, and the first lay Principal was appointed. Another change occurred when Evelyn moved as librarian to Our Lady of Grace, and retired to Ireland in 1990. As the Sisters of Providence ran the Parish Religious Education, Youth Ministry and Adult Faith Formation programs, the Mercies put their energies into building up the school community with after-school tutoring, sports and Saturday work parties. They added library, computer lab, outdoor play areas, lunch area, and enhancement of the school environment.
