

## Let Go Of the Shore

### ***Chorus:***

Let go of the shore  
And let the water carry you.  
Let go of the shore  
float into the mystery. (Repeat)

You have all you need,  
It's all inside of you.  
Close your eyes and breathe,  
And know that you are safe.

### ***Chorus***

No need to make a plan,  
Your heart will be your compass.  
Just lift your sails in faith,  
And trust that you will arrive.

### ***Chorus***
